### Corporate Internships

Students are encouraged to apply their Scholastic learning and Research Training in solving Business, Political, Economic and Cultural Challenges through corporate and development internships in India and abroad. In the process, students gain invaluable Exposure, Work experience, Maturity and Confidence.

### Audit Courses

Audit Course is a step towards one of the main objectives of SLS of enhancing creative thinking among students. Learning culture is based on reflective and creative independence through certificate programs of Yoga, Sports activity, Community Services, Social skills and Art workshops

**INTERNATIONAL EXPOSURE**  
560 Students have interned at International Universities through a Contribution of **Rs. 11.01 Crores** by PDPU

### Rural and Civic Service Internship

The importance of Civic and Social responsibility, is paramount to success of democracy and promotion of dignified living. A citizen ensures and upholds certain democratic values written in the constitution by engaging in Civic Responsibility. Those values or duties include Justice, Freedom, Equality, Diversity, Authority, Privacy, Participation, Truth, Patriotism, Human Rights, Rule of Law, Tolerance, Mutual Assistance, Self-restraint and Self-respect. School of Liberal Studies, under the aegis of Pandit Deendayal Petroleum University has introduced Civic and Social Services Internship as a training requirement integral for first year students.

### About SLS

"School of Liberal Studies", Pandit Deendayal Petroleum University, provides education with an overview of Arts, Humanities, Social Sciences, International Relations, Mathematics, Natural Science, History, Economics, Management, Marketing, Accountancy and Commerce. SLS intends to transform these individuals into life-long, self-motivated learners by giving them an opportunity to explore a palette of academic disciplines rather than following a specific rubric of courses that train them for a defined career path.

Corporates or Employers today seek qualified graduates having broad based knowledge whose undergraduate experience has granted them the critical thinking skills and an understanding of appreciating the diversity of ethical issues and services to society.

### Research Projects

This is a mandatory feature of the SLS Program. Students need to complete a research project worth six credits. This project is undertaken during the third and fourth year of the course. It involves selection of a topic that is interdisciplinary in nature but located with the academic domain of the student's major field of specialization.

**RESEARCH**  
470 Students have received **Rs. 211.88 Lakhs** for UG and PG Research Projects since 2013
