

**Dare to Dream Different**

# About PDEU

Pandit Deendayal Energy University (Formally known as - Pandit Deendayal Petroleum University), established in 2007, is a research-led university in the vibrant city of Gandhinagar with a campus extending over 100 acres in the Educational Zone. PDEU corridor was established by an Act of Gujarat State Legislature. The University is recognized by the University Grants Commission (UGC).

Today, PDEU is widely recognized as a centre for excellence in education in the domains of Engineering, Management, Humanities, Liberal Studies, Solar and Nuclear Energy and lays more focus on quality research across all the programmes. In its academic endeavor, the University helps to expand the opportunities for students and professionals to develop intellectual knowledge with leadership skills which

CONFERRED

ACADEMIC  
STANDARDS

## Learning and Growing - A collaborative enterprise in Digital Age

In my close association with the field of education in recent years, I have observed that while institutions are built on the pillars of faculty, research, infrastructure, collaborative and administrative strengths, it is affirmed that it is only a passion for excellence which elevates it to a high order.

I feel greatly inspired when I see Pandit Deendayal Petroleum University evolve into an institution which can hand-hold students through a transformational journey where knowledge is acquired while nurturing excellent human values, where learning has moved beyond the classroom - all proving to be priceless assets in one's professional life. As citizens of this great nation, and as part of a greater world order, where socio-economic dynamics are undergoing rapid change, and the fact that India's youth will increasingly play a key role in the global scheme of things, I can sense great optimism in the air.

PDEU's holistic education philosophy across the programs of management, engineering and liberal arts proves crucial for it helps to

create a fine talent pool that can make a vital difference in the way they address their professional roles. My best wishes to all of you and I hope that the corporate world will respond with great enthusiasm on assessing your professional capabilities.

**I have always believed that just physical infrastructure of an institution does not make it world class. It is the intellectual infrastructure that matters more. It is the faculty members who have made our institution a Centre of Excellence.**

**Dr. Mukesh Ambani**

Founder President & Chairman BoG

# Innovation for Industry 4.0 and beyond

PDEU has developed a vibrant campus with advanced facilities and technologies on its campus. It has set up State of the art Laboratories in each discipline with support of Industries, Knowledge partners and internationally renowned University partners. The University has also developed cutting edge digital infrastructure with up to date research and educational curriculum to promote and facilitate research and learnings.

Students have shown tremendous talent and innovation in the field of education, learning & research and to build the Institute's reputation and recognition. PDEU also provides international exposure to its students to create values and cultivate their mind towards innovation by collaborating with reputed International Universities. Faculty with their experience and immense subject knowledge in specialized field plays vital role in upbringing the student's development. At PDEU, researchers and students collaborate with industry and government to create innovative solutions merging engineering and creativity, theory

and practice, and University and society. Experts from Industry and Academia, Members from our Board of Studies provide scientific advice to craft the curriculum in order to meet industrial requirements.

University offers liberal scholarships & exposure and facilities to students and faculty compared with the best in Academics to nurture all-round talent. I welcome all to this reservoir of knowledge.

**As there is a global quest for more efficiency through Industry 4.0, we are prepared with the opportunity of finding innovative solutions to these challenges, and becoming reservoir of knowledge for radical yet sustainable societal transformation.**

**Dr. S. Sundar Manoharan**  
Director General

**We at PDEU facilitate learning and mentoring of young and ignited minds and create next generation leaders and innovators." We focus on inclusive development of a student by way of educating on technological, intellectual and moral development to draw out the best from within.**

**Prof. Tarun Shah**  
Registrar

Welcome to the world of creativity and original thinking. By deciding to join the talented pool of 'generation next', you have already expressed your desire to do things 'differently'. The quest for knowledge and wisdom is always challenging. It requires aptitude and determination to reach the destination. School of Liberal Studies would be the catalyst to allow the undiscovered talents hidden in each individual to manifest themselves. Successful completion of an experiential, participative and innovative seven years have further motivated us to enhance the qualitative content of the course. The 'breadth' and 'depth' of courses offered at SLS will enable you to understand your own potential and equip you with the knowledge and skills the world requires today. The experiential teaching-learning pedagogy would expose you to the best practices prevalent in the world. I invite you to bring in a breath of fresh air of enthusiasm and creativity on the campus. Let us form a responsible and reliable team. India expects a lot from us all.

**Dr. Nigam Dave**  
Director – School of Liberal Studies

SLS prepares well-rounded graduates who are academically exceptional, practically rooted and socially responsible. Beyond that, SLS develops research and reasoning skills that equip graduates to be significant citizens with high leadership potential by allowing students to liberate their minds to their fullest potential. We are aware that some of the most stimulating and innovative human knowledge progress demands holistic learning. SLS program outcome aligns to ensure graduate attributes demonstrated the capacity to think critically, communicate effectively, and answer multi-layered challenges. SLS firmly believes critical thinking through a pragmatic approach will drive us forward while highlighting the need to redesign education for Industry 4.0 to build New India.

**Dr. Ritu Sharma**  
Dean - School of Liberal Studies

# About SLS

"School of Liberal Studies", Pandit Deendayal Energy University, provides education with an overview of Arts, Humanities, Social Sciences, International Relations, Mathematics, Natural Science, History, Economics, Management, Marketing, Accountancy and Commerce. SLS intends to transform these individuals into life-long, self-motivated learners by giving them an opportunity to explore a palette of academic disciplines rather than following a specific rubric of courses that train them for a defined career path. Corporates or Employers today seek qualified graduates having broad based knowledge whose undergraduate experience has granted them the critical thinking skills and an understanding of appreciating the diversity of ethical issues and services to society.

## Courses Offered

### B.A.(Hons.)

- Economics
- Psychology
- English
- Governance & Public Administration
- International Relations

# Rural Internship

The importance of Civic and Social responsibility is paramount to the success of democracy and dignified living. A citizen ensures and upholds certain constitutionally defined democratic values by demonstrating good civic sense. SLS, under the aegis of Pandit Deendayal Energy University (formally known as PDEU), has introduced Civic and Social Services Internship as a training requirement integrated in the first year curriculum

**2300+ students have been a part of Rural Internship till Dec 2020**

List of NGOs:

1. Lokniketan Ratanpur
2. Lokniketan Virampur
3. Samvedna Trust, Virampur
4. Brahmdip Trust, Rajpur
5. Gandhi Ashram, Roda
6. Gandhi Ashram, Baspa
7. Yusuf Meherally Centre, Kutch

## Learning Outcomes from Rural Internship

- Manpower & resources sharing & division of work strategy
- Planning, organizing, & strategizing work task & information
- Developing Leadership skills, team spirit, workplace attitudes & societal responsibility
- Rural lifestyle experiences
- Exposure to Public – NGO partnerships & Government Programs
- Enhancing communication techniques & effective listening
- Problem-solving and critical thinking skills
- Acquaintance with diverse population and learning about cross-cultures & multi-cultures
- Adaptability to changing conditions
- Report writing

# Audit Courses

Audit Course is a step towards one of the main objectives of SLS of enhancing creative thinking among students.

Learning culture is based on reflective and creative independence through certificate programs of Yoga, Sports activity, Community Services, Social skills and Art workshops.

**3350+ students have been a part of audit activities till Dec 2020**

## List of Activities

- Warli Art Workshop
- Mandala Art Workshop
- Moroccan Art Workshop
- Gond Art Workshop
- Logo Designing
- Data Visualization Tools and Techniques
- Blog Writing
- Chinese Brush Painting
- Block Printing
- Découpage
- Clay Mosaic

## Objectives of Audit Course

- To provide an opportunity to learn new skills
- To explore the hidden potential
- To gain practical exposure to traditional activities
- To manage the workshops and develop team work spirit

# Exposure to NCC

**1840+ students have worked on Exposure to NCC program.**

**PDEU is the pioneer to introduce NCC as a mandatory course for first year students.**

## Objectives of NCC

- Promotion of Social messages
- Disaster Management
- Nation Building
- Swachh Bharat Abhiyan
- Atmanirbhar Bharat

# Corporate Internship

Students are encouraged to apply their Scholastic Learning and Research Training in solving Business, Political, Economic and Cultural Challenges through corporate and development internships in India and abroad. In the process, students gain invaluable Exposure, Work experience, Maturity and Confidence.

# Innovation & Incubation Centre (IIC)

PDEU Innovation & Incubation Centre (PDEU-IIC) is an incubator established by Pandit Deendayal Energy University (PDEU) in 2014 and legally formed as a section 8 company in 2017, with an aim to transform the brimming energy and potential of young students, budding innovators, entrepreneurs and technocrats to innovation-driven business ventures leading to a technical renaissance.

It is recognized as Nodal Institute by Govt. of Gujarat and Technology Business Incubator" by the Department of Science and Technology, Government of India. The center is supported under Student Start-up and Innovation Policy (SSIP) by the Education Dept. of Govt. of Gujarat and Assistance to Startup Innovation Scheme by Industries Commissionerate (IC), Govt. of Guj.

PDEU Innovation & Incubation Centre provides a plethora of services and expertise to help innovators commercialize their ideas. We at IIC nurture ideas and ignite an entrepreneurial atmosphere to turn innovation into successful startups.

**Shri Abhinav Kapadia**

Director - IIC & CFO- PDEU

## Achievements of PDEU IIC

- In the ARIIA Ranking 2019, PDEU is awarded amongst Top 6 to 25 rank in "University or Deemed to be University (Private/Self-Financed)" category on indicators related to "Innovation and Entrepreneurship Development" amongst students and faculties.
- PDEU has been awarded as the "Best Performing Private University" under the Private University category at the SSIP Prashansa Awards organized by the Education Department, Govt. of Gujarat for 2019 & 2020.
- PDEU-IIC is recognized as the "Incubation Centre of the Year with Prominent IP Culture" by Intellectual Property Protection Organization (IPPO) in IP Fest for 3 years in a row in 2017, 2018 & 2019.
- Special Jury Recognition awarded to PDEU and PDEU -IIC for creating an innovation ecosystem to promote creativity, Innovation, Dedication, and Commitment by Gujarat Innovation Society in 2019.
